

## ERASMUS STUDENT NETWORK (ESN) - UNIVERSITY OF ALCALÁ

### Welcome to Alcalá

We are a student society which was created by students who were Erasmus and returned to Alcalá with the idea of bringing and keeping the fun and spirit of Erasmus life

We organize activities for incoming students and support their integration by providing the means for Alcalá students with international interest to meet them. ... All to get the most from the Erasmus year!

Join our mailing list and check our webpage [www.esn-uah.org](http://www.esn-uah.org) to keep informed about our events. In Facebook: [ESN Alcalá](#)
